

CRANE & HOIST EQUIPMENT SA

Established in 2017, Crane & Hoist Equipment SA is built on years of experience in the tower crane and lifting industry. The primary focus of Crane & Hoist Equipment SA is supplying quality tower cranes and hoists backed up with excellent service.

As the official Potain tower crane agent for Southern Africa, Crane & Hoist Equipment SA covers South Africa, Namibia, Botswana, Mozambique, Lesotho and Swaziland.

Potain has been supplying quality tower cranes across the world for over 90 years and its technical development has made Potain one of the world's leading tower crane manufacturers.

Company Goals And Objectives

Crane & Hoist Equipment SA strives to be the leader in the tower crane and hoist industry by providing its clients with the best solutions at the best prices. Crane & Hoist Equipment SA will stand by its core values remaining true to itself and its clients by being flexible and innovative to meet any challenge that may be faced on a day-to-day basis or by the lifting industry in years to come.

Business Philosophy

The lifting industry extends throughout the vast continent of Africa and Crane & Hoist Equipment SA has established itself in the economic heart of the continent, South Africa.

Crane & Hoist Equipment SA has the advantage of being able to provide expert service to a multitude of industries throughout the developing continent. These industries include power generation, mining, water infrastructure, agriculture and construction which all require superior lifting equipment with equally superior backup service.

Crane & Hoist Equipment SA through its integrated product and service offering can provide turnkey solutions to clients. These services include the highest quality sales, service and inspections on tower cranes, rack and pinion hoists, lifting tackle and

lifting equipment.
